

Feed Me Feedback!

Date: _____

Please spend 2 minutes on the following questions. Your anonymous answers will help improve the course for the rest of the term and for the next time it is offered. Thank you!

1. What is the main unanswered question you leave class with today? What is the muddiest point?
2. What example, teaching technique, problem, derivation, or question helped or did not help you? *Please say whether it helped or harmed!*
3. Other comments?
